“ It is with a heavy heart I send prayers your way !! Your mom will be
missed at Breton LTC. I will miss our little talks in the wee hours of
the morning , when she couldn't sleep ! She was always so thankful
for all the little things done for her . I called her Gramma with great
respect ! She had a keen eye , she always knew when I had a new
top and remarked on the same !! She was a very special lady ! May
she rest in peace !! Bless you all for giving me the opportunity to get
to know her in a very special way !!
