“ An old friend, and the last to hear - I'm late in getting this news and that dulls the hurt a bit... But Ryan, what a standup guy you always were. Such sincere generosity and genuine kindness. Hoping your parents and your kids are doing alright, you leave a legacy in them. Glad we reconnected last year, and I was able to contribute to the memories they will have of you by shooting photos of your sweet family last fall.

“ It was with a great deal of shock that I learned of Ryan's passing. I remember Ryan being in my English Language Arts classes at Peace River High School, grades 10-12. He was a marvellous student, always willing to work hard for his success. I also remember my son (who is one year older than Ryan), going over to Ryan's parents' farm to socialize with Ryan. Ryan always had a positive attitude towards everything he became involved in. Ryan was personable and his passing will be a big loss to his family, his friends and the community at large. Please accept our condolences and we hope that all who knew him can start to heal.

*Sincerely*

“ Ryan you are greatly missed! My family loved you so much! We have a hope in JESUS that WE will see you again! Not because of what you or we did or do, but because of what JESUS did! The bible says in John 3:16 For GOD so loved the world that HE gave HIS one and only SON that WHOEVER believes in HIM shall not perish but have ETERNAL LIFE! Until then Ryan see you at the HOUSE!!!! love Momma Johnson :)

“ I met Ryan last spring when he was recommended as a very good contractor. He and Margaret came to my house and with the help of other family members, Sheila and a nephew, transformed my house and back yard into something I am especially proud to be living in. He and his family became good friends and I had looked forward to renewing our friendship and having Ryan do more work for me this spring. Alas that is not to be. My thoughts and prayers are forever with you Margaret and Bryan and Charity. May God bless you and keep you. All my love. Carol
