“ *My best memories of Sean were in the spring of 1980 when I first met he and his family. Sean and his brother Rob were like a stand up comedian duo. Sean has a great quirky sense of humor. Ordinary everyday items would spring forth a joke. Like the foil wrapper from a stick of gum. Sean would pull gum from his pocket and say, 'Oh foiled again!' - Love and miss you Sean! Bless your family! Sorry for your loss! I just found out of Sean's passing from an Internet search. Love William 'Bill' Avis 4636 S 2450 W Roy UT 84067 801-920-1886 billavis@gmail.com*
