“*Ron, Clinton, Carole and Cheryl, it is with sadness we send our most sincere condolences to you. We know Sharon loved her family so very much, but she also showed so much compassion and caring for all family and friends who were lucky enough to have known her. She was always able to make each one she met feel special...she will be truly missed. We hope the grief and pain you are feeling right now will begin to ease as time goes by. Love to you all.*
