“ *I can't say I know how it feels to lose a mother, but I see others who have lost and realize it's not easy. Wishing my second family my condolences on the loss of Sharon. It won't be the same at the Shubert dinners and lunches without her. Seeing Don without Sharon will be difficult.*

What a beautiful picture of her. She will always be known to us as "Town Grandma".

Lots of love! Denise, Elmer, Jacob and Joel Warrington

“ *First off my condolences to the whole family.*

To me Sharon will always be known as Kelly's mom, because of my close relationship with Kelly.

We have a few memories we can share together, namely being together at the cabin on Kootenay lake, with many a conversation around the campfire.

Our family, kids included will know her as the lady that made these fantastic gingerbread houses and gingerbread sleighs. Always a hit at Christmas.

And one of our sons had Sharon make a His and Hers Gingerbread house rather than a wedding cake for their wedding. Definitely a hit!

She will be missed.
