

Steven "Steve" Michael Haley

October 12, 1975 - February 24, 2015

It is with tremendous sorrow and the heaviest of hearts that we announce the very peaceful passing of Steve Haley, surrounded by his loving family, on Tuesday, February 24, 2015 at the age of 39 years. Over the years, Steve tried his hand at many occupations, all of which he showed great passion for. In addition, he volunteered with the Penhold Fire Department, where most of the more seasoned guys, especially his Uncle Jim fondly nicknamed him "Probie" – even after three years! Steve will always be lovingly remembered by his parents, Dave and Brenda; brother, Jon; daughter, Jaiden; nephew, Alex; niece, Kyla; uncle, Mick (Barbara); his very special long-time companion, Flash; as well as by numerous extended family in England, co-workers and friends. Steve was predeceased by his friend, Craig Schropfer; uncle, Jimmy McMullen and grandparents, Jack and Mary Haley. Relatives and friends wishing to pay their respects to Steve are invited to do so prior to the Funeral Service, between the hours of 12:00 p.m. and 12:45 p.m. Funeral Services will take place on Monday, March 2, 2015 at St. Luke's Anglican Church, 4929 - 54 Street, Red Deer, Alberta at 1:00 p.m., with Interment taking place at Alto Reste Cemetery. The Haley family would appreciate memorial contributions in Steve's name be made directly to Safe Harbour Society, 5246 - 53 Avenue, Red Deer, Alberta T4N 5K2. “ Steve was a man who wore his heart on his sleeve and never pretended to be anything but who he was. Our paths crossed a few times in this life, all of which were filled with fun, love and support during sorrowed times. My heart will always hold a place of love for him. Rest in peace, Steve. I so sorry to see you go. C.G.

“ I first met Steve in the "White House" when I move to Red Deer and attended college in 1995. We hit it off instantly and remained friends.

Steve was the special kind of guy that could approach anyone and talk about anything. He was always great company, whether we were at a party with a room full of people or sitting quietly sharing stories of our past or talking about our families.

Steve was a very unique and interesting soul. Never scared to go after something he wanted. I don't know if he ever realized how much I admired him.

Although I hadn't seen him much lately I think about him often. Looking forward to the day we could get together and "catch up." I will miss him.

“ We met back in 1996 at Morts bar in red deer. We decided to share a cab together and found out we were neighbours. The next day he road his bike to our place and walked in like he was our best friend. Well he became one for life. Steve was the kind if guy that left a mark on your heart he will always be in mine.

Just because you can't see the light at the end of the tunnel doesn't mean God isn't moving on your behalf. When a train goes through a tunnel and it gets dark, you don't throw away the ticket and jump off. You sit still and trust the engineer.

“ We grew up in Penhold, starting in grade 1, Steve was actually my first boyfriend in grade 4 :). When you grow up in a really small town it is like everyone is one big giant family...you can go years without seeing or talking to them but they always remain in your heart. I was lucky enough to reconnect on FB with Steve a few years ago. We have shared many laughs and great memories over the years. I am beyond saddened that he has passed on. I will miss you, my friend. My heart goes out to the Haley's and to all of his friends.

“ I remember when I first met Steve. It was under very sad circumstances. His "uncle" Jimmy McMullen had just died tragically. We drove to Calgary with his dad Dave. We subsequently became friends and worked together for a time. Unfortunately we had lost contact for the last while but I'll always remember and cherish the varied and vey interesting conversations we had while travelling out to the plant together. Rest in peace Steve. Your cross was not an easy one to bear and your path was not an easy one. I know you are now in a better place. Dave and Brenda and Jon I can only hope that you can find peace in your hearts knowing that his suffering is now over. Robert Errity.

I met Steve while working at Jim and Jers Pub in Red Deer. His Dad introduced me :-) Steve and I had many, many, many (lol) conversations, and friendly arguments regarding the Edmonton Oilers and Calgary Flames over the years. Although Steve and I were not very close over the last few years, I still always considered him a friend. All of my memories of him are good ones. R.I.P Steve <3 You will not be forgotten.
My heart goes out to his Family at this time.
