“ *Some of the best memories I have of grandma were helping plant new seeds and helping in her garden. Then always going back in side for cookies and her delicious soup. Though she will definitely be missed, these memories will always stick with me.*

“ *I remember being excited for "gramma" day. We all got to do so many things like pressing flowers, playing with play-doh, eating crouton soup, making fried chicken, baking lemon cupcakes, taking a cookie from the strawberry jar, the list goes on. I will miss the good times but always remember them fondly.*
Love, Michelle
