“ Grace we send our love and prayers to you and your family at this time of loss. We first met Terry over 30 years ago in Hinton when, I, Kim, took my Real Estate course and worked for him there. Then reconnected when we moved to DV. He sold us our home there. Terry was a godly pillar in DV and his church. He will be missed. We praise the name of our Lord Jesus Christ for His gift of eternal life knowing Terry is praising with Him now. It is a sad time but we will see him again.

“ Even knowing Terry for only a short time, we quickly became friends, sharing our hearts together and our mutual love for Jesus. Our friend is gone from this earth but present with his Lord which our loss but his gain. Thank you Grace for calling me and I pray you sense His great love and grace over all your family at this time. It was my privilege to have met such a warm, loving and sincere man. God Bless You All.

We are very sorry to hear of Terry's passing, Grace. Our sincere condolences to you and your family. Terry and I were first cousins, my father being Carl Kilborn, Frank's brother. We unfortunately never met, but Terry was the spitting image of my dad.

I am sad to hear of Terry's passing. Just recently, I had the pleasure of having a Facebook conversation with Terry after catching up with him on the Hinton Memories site. Terry was my first boss for several years way back starting when I was about 15 back in the 70's when we had the "snow packs" come out weekends in the winter and then providing several weddings in the summer months. I have really fond memories of our time out at the Overlander! We were like a "little family". I remember Grace dropping into the kitchen with one or several of the children (mostly David as he was young at the time). My thoughts go out to Terry's Family at this time. I'm so happy to hear that he officially found The Lord! Peace be with all those who are missing Terry!

“ *Sad to learn that Terry has passed away. Will always have great memories of Terry from the 70s in Hinton when we were all "Ski Doo" crazy and he helped establish the snowmobile club, developed trails, held fabulous parties and prepared awesome meals. Terrific guy to know.*
