“ Trevor was a very special young man and I am proud to say a friend of mine. He was a loving and gentle soul whose life ended far to soon. He taught me things about life without being aware of it and my life has been richer because he was part of it.
REST IN PEACE TREVOR. I will miss you .

“Maureen, I am so sorry to hear of the tragedy that your family has gone through and offer my condolences. Although I have not seen you for many years since we worked together at Byers Transport I remember meeting Trevor and finding him a remarkable young man. As co-workers we shared many moments and stories regarding our children which of course led to laughter, frustration, madness. No amount of words said can heal the pain or undue this tragedy. My thoughts and prayers are with you and your family at this time. Terry Sperling (Flynn)

“ Trevor was an amazing guy. He loved horror movies, diet Pepsi, water slides, his birds. He had a way with all animal's. He could Hear a pin drop from a mile away lol so you had to be on your toes don't whisper cause he will hear you lol. He had a heart of gold and wore it on his sleeve.
