

Victor "Vic" Robert Ducharme

September 3, 1948 - June 21, 2014

It is with great sadness that we announce the peaceful passing of Victor Robert

Ducharme at the age of 65, originally of Rouyn-Noranda, Quebec.

Vic lived in Edmonton over the last 40 years and thoroughly enjoyed his past career in telecommunications working at EdTel, AGT and Telus where he made many friends.

He will be lovingly remembered by his wife Lorraine; his two sons Christian (Trina) and Pascal (Leanne) and our cat (Meatball). He is survived by his two sisters, Diane (Bert), Joanne and two brothers, Leo (Marianne) and Billy (Sandy) along with several nieces and nephews.

Vic was predeceased by his parents Gerard and Anne Ducharme from Rouyn-Noranda, QC.

A Celebration Of Vic's Life will be on Tuesday, July 8, 2014 at Ritchie Community Hall,
(7727- 98 Street, Edmonton, AB) at 7:00 P.M.

If desired, donations may be made to the Heart & Stroke Foundation or Arthritis Society in his honour.

“ *Lorraine and Family*

It was a pleasure to know Victor, he will be missed here in the Cardiac device clinic.

Even on his roughest day, he would always crack a joke and you could see a mischevious twinkle in his eyes.

Wishing you comfort in your time of loss.

“ *Dear family of Vic Ducharme... Am so sorry to hear of Vic's passing. I worked with him for many years at AGT/TELUS and we had many good times together, especially when talking about cars, engines, transmissions, and his pet restoration project. He definitely had a great sense of humour, especially when we talked about Kapuskasing ON, where I worked for a while (relatively close to Rouyn-Noranda). Our prayers go out to you all at this difficult time...*

“ *My sincere condolences to Lorraine, Chris, and Pascal on the passing of Vic. He will most certainly be missed by those who knew him. Vic had many talents and anything he put his hand to was done with precise accuracy and excellence. I will cherish the times he walked me to the garage and shared the progress of his antique car restorations, describing in detail everything he had done since I last visited, and everything he had yet to do. And more recently, the hours he spent to "show and tell" about his unique car collection display which basically covered 3 entire walls of what was called "Vic's room".*

May you also cherish the memories you have of Vic and may the Peace that surpasses understanding grant you comfort at this time of loss.
