

William Lazariuk

October 7, 1943 - February 14, 2016

On February 14, 2016 William “Bill” Lazariuk passed away. Known to be an entrepreneur at heart, having the ability to take an idea and create success within it.

Mostly Bill will be remembered for his love, passion, and knowledge of cars. This love he passed onto his son Todd. The game while driving down the road, dad would point to a vehicle and ask Todd to name the make, model, and year.

Candace, first born, but apparently born with the wrong “parts”, but stole her dad’s heart. Natasha and Deseree (twins) were the two for the price of one. Bill’s kids were grateful for the time they were able to have in his last year of life. Family is your heart and who you are.

Dad was not well for 10 years, so our hope he is enjoying a beer with clamato, hot wings, and peanuts. First round is on us, dad.

Lovingly remembered by:

Candace Lazariuk, Todd Lazariuk, wife Brenda, True Lazariuk and Kaedyn Ruetz; Deseree (nee Lazariuk) Mandel, husband Dan, Hudson, Colin, Tyson, and Makayla; Natasha Sluth.
