“ Dear Lawrence Family,

I was Wilma's neighbour for a short while and met some of you when you were moving her to a place where she could receive proper care.

I just found out that your dear sister and aunt had passed away and wanted to tell you I was most fortunate to have been able to meet and get to know her just a wee bit. How I appreciated the few visits we had had! Her gentleness and grace was so evident and was a blessing to me - she reminded me of one of my own dear aunties who was similar in demeanour.

I sincerely hope she passed without suffering any more than she already had and send my warm regards and prayers for blessings to you and yours in each of your lives.

God bless you!

*Sincerely,
Deborah Webb*
