“ Dear Denise, Louise, Sid and families:

We are deeply saddened by your mother's passing. Yvonne was our very special niece and we (Priscille) kept in touch regularly. I will certainly miss our chats. She was such a concerned and loving person. Her mother, Lawrencia, was our sister. May you take comfort in knowing that you have another special angel watching over you. Please accept our most sincere condolences.

*All our love,
Auntie Priscille and Uncle Vic (Truchon)
Auntie Mayva (Pigeon)
Auntie Rita (Laplante)*

*** A Mass will be said in her memory and a donation will be made to the Heart and Stroke Foundation.*

“ *I have and will forever miss you Auntie- we spent much time
together for sure.. when you left I really missed that, still do..
enjoyed picking you up , taking you to my place for visits, just
spending together time. Our weekly visits , shopping , going to the
restaurants, sometimes near the waterfront or just driving around
was a great bonding time. I will always remember the times visiting
and spending time with you and your family throughout all the years
, in Feronia and North Bay.. Those were good times and will be in
my heart and mind forever. You will never be forgotten, and will
always be a part of me and I a part of you-- till we meet again
Auntie. My Love goes out to Louise, Denise and Sid.*

“ *My deepest sympathy for the family, and she will remain in my heart and memory forever. She was one of my favorite Aunts and I remember spending a lot of time on holiday trips, and always looking forward to seeing her smile. She could smile with her eyes. I will miss her forever, and I always teased her that I was her favorite Niece and Godchild, that always made her laugh. SOOOO many memories it is hard to put them to words. Will miss her deeply forever.*
